Placing Membership Holds:

Monthly memberships may be put on hold for extenuating circumstances such as work trips, injury, or extended vacations over 1 week (7 calendar days). **Holds are limited to 1 month in duration.** If you will be away for more than one month, please email us to determine the best option. It is the members' responsibility to notify CF PAX in writing via this form of dates for holds **PRIOR** to the hold and submit the adjusted dates if they differ from the initial notification upon return.

Dates and reason for hold:

Cancellation of Membership:

We hate to see any member leave, but if you have to, inform us **in writing**, via this form, of the date you want to cancel. **This must be done at least 5 days prior to next billing cycle or you will be charged.** Your membership will expire at the end of your current monthly membership period. Please leave any comments or feedback as to your reason for cancellation.

I approve these changes to my membership.
